

Please join us for the second in a series of breakfast discussions
for Geriatric Care Managers in the Washington area.

GCMs and Home Care Companies: *Who Does What?*

Wednesday, December 17th at Maplewood Park Place

9707 Old Georgetown Road
Bethesda, Maryland

This interactive program will draw on our combined experience
to address the following questions:

- What are the distinct roles of the home care company and the GCM?
- Where are the gray areas?
- Do families understand the difference between case management included in a home care rate and services provided by a GCM?
- How do we define the difference?
- How do we build working relationships that are good for business and great for our clients?
